	Firm's address ▶		Phone no.	

Attachment to Form 8937
Report of Organizational Actions Affecting Basis of Securities

Issuer: Pattern Energy Group Inc.
EIN: 90-0893251

Part II, Item 14 On October 26, 2017, Pattern Energy Group Inc. ("PEGI") declared the following cash distribution to the Class A Common Stock shareholders on the date of record:

	Date of Record	Amount per Unit	Date Paid
Class A Common Stock	December 29, 2017	\$ 0.422	January 31, 2018

Part II, Item 15 Dividends paid in excess of the current and accumulated earnings and profits of a corporation reduce the basis of the shares of the corporation pursuant to Internal Revenue Code ("IRC")§301 (c)(2) and 316 (a).

Pattern Energy Group Inc. made a cash distribution of \$0.4220 on January 31, 2018 for holders of each share of Class A Common stock . At this time, and based upon reasonable assumptions by Pattern Energy Group Inc. this distribution is expected to be a non- taxable return of capital thereby reducing a shareholder's basis by \$0.4220 per share.

Part II, Item 16 At this time, and based upon reasonable assumptions by Pattern Energy Group Inc., the full amount of the distribution paid per Class A Common Stock should reduce the basis of each share of Class A Common Stock held by each shareholder on date of payment as Pattern Energy Group Inc. is not expected to have any earnings and profits (current or accumulated) as of December 31, 2018. Pursuant to applicable Treasury regulations under Section 6045B, if these assumptions turn out to be incorrect, Pattern Energy Group Inc. will file a corrected Form 8937 within 45 days of such determination.

Part II, Item 19 The reportable tax year is 2018. Class A Common Stock shareholders as of the following date of record should reduce the basis of each share held on that date by the following amount per share:

Class A Common Stock \$0.4220 per common share for holders on December 29, 2017.
